NEXT MEETING

Our next meeting will be Saturday, July 13th at 12:00 noon at the field. (Weather and field conditions permitting.) We'll be serving up hot dogs at this meeting. For \$5.00 you'll get two hot dogs, a bag of chips and a drink.

JUNE MEETING HIGHLIGHTS

It was great to see Joe Suarez up and about. Discussions were had about recruiting and where we can post our fancy new club flyers. We learned about Al Herrington putting stickers with our club information on copies of the AMA magazine and donating them to two libraries (Lockport and Sanborn.) If you have back issues that are in good condition and would like to add to this project, please bring them to a meeting and give them to Al. Fun and Girl Scout cookies were had by all.

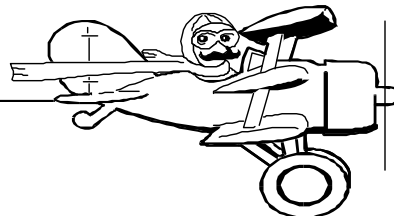

Where were you?

JERRY CIEPLINSKI

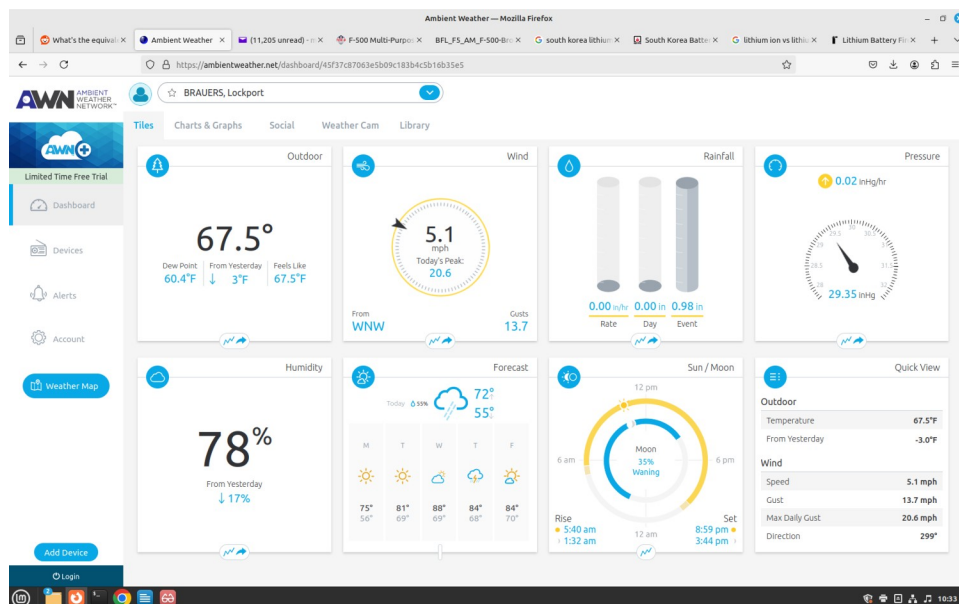

We're sad to have learned that Jerry Cieplinski who was one of the founding members of Brauer's Aviators passed away November 12, 2023 at the age of 81.

NEW WEATHER STATION

As you may have noticed our new weather station was installed after the June meeting. It has a color screen and is linked to a new weather site. The Ambient Weather Network. It's accessible from the link on our homepage.

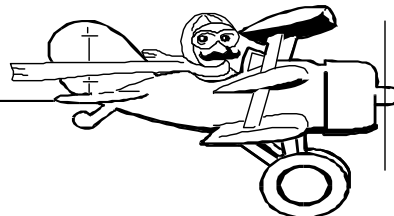

It is working great. Thanks Dave!

CLUB AUCTION

At our July 13th meeting we'll be auctioning some cool donated aircraft:

#1 – BAYANG TOYS X 16 Drone

Upgrade version W/GPS and camera. Looks new in box.

#2 – Arrows Tecnam-2010

Arrows 1450 mm Tecnam-2010. Looks new in box.

#3 – Misc. Box

Box of copters. Small single or 2 cell batteries and misc parts.

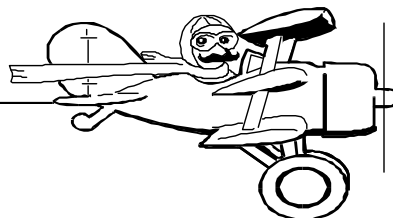

#4 – UMX PT-17

PT17. Looks new in box. Has 7 batteries, a 1 cell charger, and a 1 cell voltage checker.

Members who are unable to attend can still participate by emailing your bid to Brauers_aviators@yahoo.com no later than 12:00 pm (noon) Friday July 12th, 2024. Identify which item you are bidding on and the amount of your bid. If the in-person bidders do not exceed your bid price, you will win that item at your bid amount. Only send one email bid per item. You will be notified if you are the winner so that arrangements can be made to get it to you and payment received.

FIRE EXTINGUISHER TIP

Remember that our rules state that "Members using Lithium batteries or with gasoline engines must have a fire extinguisher handy and also use a fireproof charging container when charging lithium batteries." Some of you may know, but I have recently learned about fire extinguishers for lithium, type F500's. They do sell extinguishers that combine lithium and some other types in one unit. I will be getting the right lithium extinguisher for the garage and car. - Tom Welch

NEW MEMBER WELCOME

Brauer's Aviators welcomes our newest member - Ryan Smith. Please be sure to introduce yourself and say "Hi" when you see him at a meeting or flying at our field.

THANK YOU FROM THE PRESIDENT

To everyone who has and continues to contribute to the support of our club with your donations of money, time and aircraft! It is very much appreciated by all of us.
