Walt Blazynski
Jr.
716-688-0522
Dan Yaeger
716-572-5886
Club Historian:
Will Burley
716-563-0754

NEXT MEETING

Our next meeting will be Saturday, June 8th at 12:00 noon at the field. (Weather and field conditions permitting.)

JOE SUAREZ UPDATE

Joe's surgery went well and he's back home recovering. He's planning on attending the next meeting so this is great news all around 😊.

FIELD CONDITIONS

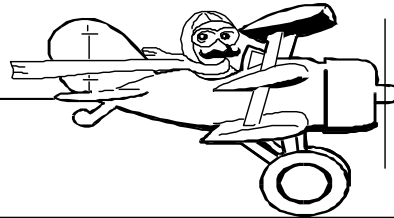

The field was cut and rolled. At the May meeting it looked great! Please continue to be vigilant about weather and help keep the road, parking and pit areas rut-free. The charging and weather stations are installed. There is a problem with the weather station which is preventing it being accessible from the internet. Dave is working on a fix and we'll let you know when it is back on-line.

MAY MEETING

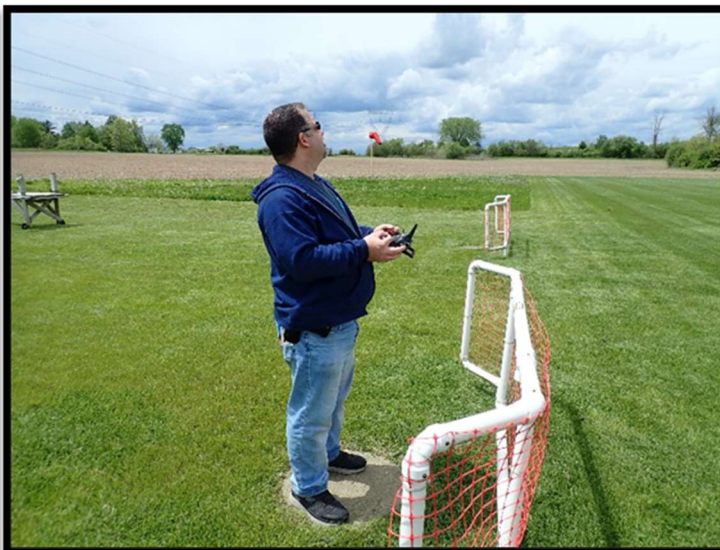

While the May meeting was lightly attended, everyone present seemed to enjoy the day. It was a little overcast and breezy at times but a lot of flying was accomplished. Dan Laubacker brought a bunch of planes to give away. See what you miss when you don't come to the meetings?

The new windsock stands out nicely. Our meeting schedule for the summer months is the second Saturday of the month. Noon at the field. Come on out.

PICNICS

The July meeting will be July 13th. We're working on plans for having our first picnic of the season. More info to come.

RECRUITING

There was some discussion at the May meeting about recruiting new members. We have a great club and field. Not everyone knows about us. Make sure you talk us up when you meet fellow RC aircraft enthusiasts.

Kevin took as an action item getting a flyer made up that can be posted in the local hobby shops. Check it out on the next page. I think it looks great.

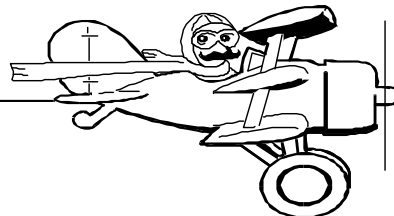

THIS SPACE IS AVAILABLE

If there are topics you'd like covered or feel like submitting an article for our newsletter we'd love to accommodate. Send your ideas or submissions to brauers_aviators@yahoo.com.
