NEXT MEETING

Our next meeting will be June 14th at 12:00 PM at the field. We're keeping our fingers crossed that the weather will cooperate. If it's determined that it's too wet at the field we'll hold our meeting at Pendleton Town Park which is right down the road from our field. Watch your email and/or the club Facebook page as it gets closer to the day for updates.

It will be an important meeting so please plan on attending. We'll be holding our elections and voting on some minor by-law changes.

CLUB OFFICER ELECTIONS

All offices are up for grabs. Term of office is two years. The officers include President, Vice President, Secretary, Treasurer and Newsletter Editor. Please consider offering to help shape the club by becoming an officer.

During an election, nominations may be made by any club member. Nominees must meet election criteria:

- A. Must be a member in good standing with Brauer's Aviators
- B. Must be a member in good standing with the AMA.
- C. Must be a member of Brauer's Aviators for at least one year.

PROPOSED BY-LAW CHANGES

Our current by-laws have a couple of minor typo errors in them. We'd like to get them cleaned up. Since it would be a change to the by-laws it requires five days written notice and a copy of the proposed changes. Our current by-laws have two article 12's:

- 12. Resignation, Termination, Disciplinary Action, Expulsion and reinstatement of membership.
- 12. Dissolution.

The proposed change would re-number Dissolution to 13 and would change all the following articles to be one greater. Attached to the email with this newsletter is the complete, proposed by-laws with the changes for your review.

WELCOME NICK POKRZYK

Welcome to our newest member. Nick Pokrzyk. Make sure to introduce yourself and give him some of your best flying pointers.

PICNICS

We're planning on having three picnics this summer. It'll be the same format as last year where for only \$5.00 you'll get a hot dog, chips and a drink. These will be at our July, August and September meetings at the field.

T-SHIRTS

T-Shirts have been ordered. Joe is looking into hats and more info will be coming about them.

AMA CLUB TRAINING DAY STARTER KIT

The AMA Foundation is excited to launch our Club Training Day Starter Kits, a new initiative to help AMA Introductory Pilot Clubs to reach more people, strengthen training efforts, and grow the hobby. Our club has been approved to receive a starter kit and we'll be talking more about how to leverage it to bring in more members and show people how much fun this hobby is.

MAY MEETING HIGHLIGHTS

Our May meeting was held at Pendleton Town Park. This Spring has been cold, windy and wet so far so we weren't able to have the meeting at our field. We still had a pretty good turn-out considering. We discussed improvements that are in progress or been completed, handed out new recruiting flyers, confirmed our summer picnic schedule and the by-law changes. An item was brought up about developing an emergency plan for the field. If you have any input on that, please bring it up at a meeting or send an email to Joe.

FIELD UPDATE

Next time you're at the field you'll notice that the driveway has been extended and fixed. (Thanks Dan) You'll still need to be careful when it's been raining. The new driveway is great but there can still be muddy areas beyond it. The flight stands and barriers have been put out. (Thanks Ryan). The field looks great and we can't wait until Mother Nature lets us use it more. Wednesdays are the plan for cutting (weather permitting).

NEW CROP

We're not sure what's going to be planted at the field this year but you may see one or more of these when you least expect it. Not a weed but not edible either...
