SPRING FORWARD 8:00 PM MEETINGS

Our meetings now begin at 8:00 PM. Please come out and join as we have a lot to discuss. →

OFFICER ELECTIONS

At the April meeting we will be accepting nominations and voting on new club officers. Please consider running for a club office to give those that have been serving the club for years a well deserved break. →

MEMBERSHIP ROSTER

The 2011 membership roster is attached to this newsletter. Anyone who has not renewed for 2011 is not included in the roster. If you haven't renewed, please see Glenn to pay your dues before using the field for the year. →

CLUB SHIRTS

Attached to the newsletter is an order form for newly designed club shirts. Thanks to Joe Suarez for spearheading this effort. Orders are due by meeting night April 21st. →

BRAUER'S ANNUAL FUEL ORDER

I'll have prices from Doug Field sometime after the Toledo show. When I have the prices, I'll let anyone who has requested fuel know of the price before placing the order. If you haven't ordered yet, I can still accept orders. Please also know that Clarence can get you fuel when you need it. →

TAKE OFF & GROW (TAG) PROGRAM

In case you haven't heard, Brauer's was selected as one of the recipients of the Take Off & Grow (TAG) program. This grant get us \$1,000 to use towards the program. We can use it for trainer aircraft, advertising, supplies, etc. We will be discussing our plans for the program during the meeting. We will be in need of volunteers to help out with the program. See the attached sheet for volunteer opportunities. Thanks to those that have already volunteered. The first part of the program will be May 7th. This part consists of indoor presentations and Simulator instruction for the students. The actual flying portion is scheduled for June 11th using the trainer aircraft purchased with a portion of the TAG funds. If you can possibly volunteer to help out with this program, please attend the meeting, or contact one of your club officers. Thanks to Dave Raczka for writing us an application that got us the grant. →

WELCOME NEW MEMBER

Welcome to the club, Chris Handley. →

BRAUERSAVIATORS.ORG

Don't forget to check our website for field updates, shirt & fuel order forms, TAG info, member updates and a lot of other stuff. You can also read your newsletters and field safety rules there. →
