NO MEETING IN AUGUST

Our June meeting will be the last formal meeting before September. July and August meetings will be held informally at the field, weather permitting.

PICNIC/FUN FLY NIGHT - JULY 22ND

What perfect weather and an awesome turnout for the picnic night. We had 39 people attend and got two new members to join the club. Thanks to everyone who came out and those that brought something to pass. Special thanks go out to Dave Raszka, Joe Suarez and Dan Yaeger for organizing and working on it and also to Dave Raszka for donating the soda for the event.

WELCOME NEW MEMBERS

Please welcome Dan Sontag to the club. Also a welcome back to Jeff Liddell. Welcome aboard guys.

FLYING DEMO DAYS AT WENDELVILLE FIRE HALL

On Friday evening August 13th and all day Saturday August 14th, Brauer's Aviators will be participating in the Wendelville Fire Hall Field Days. We will have a designated area by the baseball diamonds to display and fly our planes and helicopters. Feel free to join us to demo our sport to the public. Even if you are not comfortable flying there, bring a plane or 10 to display. NOTE: As the fire hall isn't too far from our flying field, for any of you still using the 72mhz transmitters, please remember BEFORE EACH FLIGHT to check for interference.

Check the website for more pictures from the picnic.
