## TAKE OFF AND GROW(TAG) - PART 2

SUCCESS! We completed the second part of the TAG program. We successfully got 15 students up flying. We plan to get the remainder of the students up on or training nights, and also allow those that already completed the program to get some more training time. One of our students, Danielle Haynes did a follow-up article in the Tonawanda News. See the attached link <http://tonawanda-news.com/feature/x177909584/HAYNES-Learning-to-fly> for her experience with our program. →

## TRAINING NIGHTS - WEDNESDAYS 6 - 8 PM

We are going to be doing training nights for new students each Wednesday from 6:00 to 8:00. If you need some time on a buddy box or with the Ragland method, let one of the instructors know, or email [brauers\\_aviators@yahoo.com](mailto:brauers_aviators@yahoo.com) to let us know you will be there on a Wednesday. →

## TAKE OFF AND GROW(TAG) - VOLUNTEERS

THANKS! A special thanks go out to all those that volunteered at the TAG events. We couldn't have done it without your help. Special thanks to Dave Raczka for organizing everything. →

## CONDOLENCES TO THE BRAUER FAMILY

Our thoughts and prayers go out to the Brauer family on the passing of Rich Brauer. →

## HOT DOG COOKOUT - JULY 21<sup>ST</sup> AND AUGUST 18<sup>TH</sup>

We had such a great turnout last year for our hot dog roast that we decided to double our fun and do it twice this year. Join us on what would be our normal meeting night starting at 6:00 PM for hot dogs and soda. If you would like to bring a dish to pass, feel free. →

## CLUB SHIRT ORDERS - TAKE 2

Some folks have expressed interest in ordering more club shirts. If you are interested please contact Joe Suarez (694-8641) before July 31<sup>st</sup>. If he gets enough interest, we will do another shirt order. If you haven't seen the club shirts, look around at the club members at the field or see Joe for an example. They look great. →

## RULES REMINDER

Please take time to review the field rules <http://www.brauersaviators.org/Forms/BrauersRules.pdf>, including the ones below:

- **No hovering or 3D (fixed wing or helicopter) while field is being used by other pilots.**
- **No hovering/takeoff/landing in Taxiways.**
- **All maneuvers shall be performed North of the center of the runway.**
- **Members using Lithium batteries or with gasoline engines must have a fire extinguisher handy and also use a fireproof charging container when charging lithium batteries.**

**Please also note that you need to be standing behind a pilot station fence while flying. This is for your safety and the safety of the club. →**
