## TAKE OFF AND GROW(TAG) - PART 1

SUCCESS! We completed the first session. We had 21 students attend and a bunch of volunteers. We also had a great turnout of model aircraft to show off. Thanks to all who participated. We especially thank the Wendelville Fire Company for use of their large hall for the day. We had information sessions in the morning, a nice lunch and then got the students flying using the RealFlight simulators in the afternoon. There are a couple pictures below and you can also see a full set on the website. Now on to planning for Part 2. →

## TAKE OFF AND GROW(TAG) - PART 2

Our second part of the TAG event is scheduled for June 11<sup>th</sup> or a rain/wind date of June 12<sup>th</sup>. We need about 22 volunteers for part 2. The event is scheduled from 9:00 AM to 4:00 PM. Please visit the Brauersaviators.org website to see what positions we need and contact Dave Raczka to volunteer. Come on out and help make this an overwhelming success! →

## FIELD CLOSED JUNE 11<sup>TH</sup> FOR TAG EVENT

PLEASE NOTE THAT THE FIELD WILL BE CLOSED FOR REGULAR FLYING UNTIL 5:00 pm ON JUNE 11<sup>TH</sup> FOR THE TAG EVENT. →

## WELCOME NEW MEMBERS

We have 3 new members this month. Welcome to the club, Edward Taylor, Michael Ishman, and Richard Brazell. This brings us up to 54 paid members for this year. →

## MEMBERSHIP CARDS

If you have joined or renewed and have not yet received your Brauer's Membership card, please contact Glenn Topolski and he will get you one. The cards are required for use at the field to identify what frequency you are using, including the 2.4ghz frequencies (use channels 1 - 9 for 2.4ghz). →

## FIRST AID KIT

Thanks to Dave Raczka for replacing our first aid kit after the existing one blew out of the shelter and scattered everything. The new one is hard to miss as it is huge and hanging from the rafters of the shelter. →

## SAD NEWS

I have been informed that longtime member Ed Mitchell passed away earlier this year. →
