Club Roster

Attached is the latest 2009 Club roster. Please review your entry on it and let either Glenn or Dan Yaeger know if there are any changes.

Welcome Back

Welcome back to a former club member Don Critoph. It's great to have you back in the club.

Club officer elections

Well, the Club Officers are going to remain the same for another 2 years. They were all voted back in.

Work Group

Thanks go out to the following members for coming out on short notice to help with some post-hole digging for signs/fences:

Joe and James Suarez, Will Burley, Dave Raska and his daughter, Rudy Yeung, Ernie Nikodem and I assume Glenn Topolski although he didn't include his name when he gave me the info. Special thanks to Jim Diermyer for coming out and bringing the post hold digger. I'll bet that post-hole digger helped a lot.

The new Brauers Aviators sign is now up at the entrance. New parking barriers have been assembled to give us more room for parking.

Looking for Donations

We are in need of any 1.5" PVC Pipe or fittings anyone has and may want to donate to the club. We want to use it to replace the existing flight station fences with something better and easier to mow around. If you have any you would like to donate, please contact Glenn.

Safety Review – May

We will have a club safety meeting during the May club meeting. The review will be during the regular meeting at Brauer's.

Condolances

Our thoughts and prayers go out to Dick Wood on the passing of his wife.

BrauersAviators.ORG

We are in the process of creating a website for the club. An initial page has been created at www.brauersaviators.org and a couple of other pages are in progress. We hope to have a couple of pages to show off at the meeting. Thanks to Dave Raska and Joe Haniszewski for putting it together.
