## TAKE OFF AND GROW(TAG) - PART 1

We have been getting ready for part 1 of the TAG event at the Wendelville Firehall. We have been out advertising the event and are getting folks signing up. If you know of anyone who would like to try out RC flying, let him or her know about the TAG event.

There should be an article in the Tonawanda News, advertisements in the Bee online, Friday's Buffalo News Gusto, on LCTV and probably some other places I don't remember.

We have our volunteers set up to give the presentations. We could still use some more volunteers to help out at the event. If you can make Part 1 on Saturday May 7<sup>th</sup>, please let Dave Raczka know and he will add you to the volunteer list. Check out the website for the list of volunteer opportunities!

We already have our simulator and trainer planes purchased. The planes are being set up and test flown (hopefully this weekend).

Once we get through with Part 1 of the TAG event, we will be sending out another volunteer sheet for the actual flying day on June 11.

This is going to be a great event for the students and the club. Come out and be a part of the TAG event. Remember, we are one of only 19 clubs in the country to receive this grant for 2011!  
→

## SHOW N' TELL AT THE TAG EVENT

This year, we are going to try to do the Show n' Tell at the TAG event so that the participants can see a bunch of airplanes. Please bring out a plane to Wendelville this Saturday from 9:30 to 4:00. If you can't stay, please consider dropping off a plane for the day. You can pick it up near the end of the day. Let's have a good showing of members' planes this Saturday. →

## NEW STARTING BENCH DONATED TO CLUB

Special thanks to Steve Winicki for his donation of a new starting bench. He donated the materials and the labor to build it for the club. Thanks Steve. →

## OFFICER ELECTIONS

As expected, all the current club officers were re-elected for another 2-year term. We also welcome Dave Raczka as the new Sergeant at Arms. →

## BRAUER'S ANNUAL FUEL ORDER

For those that ordered fuel, I have placed the order with Fields Hobbies. When the fuel comes in, you will be contacted so you can pick up your order. →

## WELCOME NEW MEMBERS

We have 4 new members this month. Welcome to the club, Charles Francavilla, Ray Mock, Ron Schaefer, Brian Will and Dick Cooper. →

## BRAUERSAVIATORS.ORG

Don't forget to check our website for field updates, TAG info, member updates and a lot of other stuff. You can also read your newsletters and field safety rules there. Try it out. →

## FIRST AID KIT

The first aid kit that we normally have in the Southwest Corner of the shelter blew out during last week's wind storm. It is being replaced with a heavier duty one and updated. It should be back in place sometime this week. →
