## MEETINGS RESUME THIS MONTH

Please note that our regular monthly meetings resume this month. The September meeting is scheduled for Thursday September 17<sup>th</sup> at 8:00 PM. Arrive early and do some flying before the meeting.

## WELCOME NEW MEMBERS

We have 2 new members this month. Please welcome them when you see them out at the field. Welcome to Brian Mau and Steve Winnicki. Glenn said that one of the new members has already soloed after only 5 or 6 trips to the field and many hours on a simulator.

## WEBSITE

We are trying to put together a "My Hanger" page for the website. If you have a picture of your favorite plane or chopper, email it to [dmas@roadrunner.com](mailto:dmas@roadrunner.com) along with specs (engine size, wing span, etc.). If you haven't visited the website lately, head on over to [www.brauersaviators.org](http://www.brauersaviators.org) and look around.

## NEWSLETTER - WEB VERSION

Each month when the newsletter is sent out, a copy is placed on our website. If you are currently receiving the newsletter via US Mail, and you can access our website, please consider receiving the newsletter electronically. To change to either an email or web version of the newsletter, please email [brauers\\_aviators@yahoo.com](mailto:brauers_aviators@yahoo.com) with your email address. Thanks for helping the club to control costs.
